

Sancta Maria House Admission Requirements Overview

Sancta Maria House is a Catholic, Christian Recovery Home for women who have substance abuse/addiction or other life changing addiction.

Women must be 19 years of age or older.

Sancta Maria House offers a 12 Step Program focused on spiritual, emotional, psychological, and physical healing.

Women must commit to a six month stay, with an open ended stay available.

Women must be at least 5 days clean and sober before admission.

Clients on Methadone may be accepted if they wish to transition to **Suboxone**. Medical supervision provided.

TB test or X ray within the last year. Covid 19 Negative Test may be required.

Clients must have a prescription or medications for at least one month.

Clients must submit their completed Admission and Doctor's Pre- Admission Papers before admission.

Women may request a personal interview before admission.

Women coming from Detox to Sancta Maria House should come directly after discharge by a safe ride.

The Program Fee is \$ 900.00 a month. Either self-pay, IA, Disability, or EI accepted.

Sancta Maria House is a first stage recovery house where women are not free to come and go in the community. Women with paranoid thoughts or other fixed delusion, auditory, visual or kinesthetic hallucinations, suicidal ideation or other thought disturbances which seem out of the person's control and are not accessible to efforts to change, indicate that Sancta Maria House would not offer a suitable option for this person's particular needs.
